President's Message

Our speakers from the USC Department of Communication Sciences and Disorders spoke to us on the occasion of Sertoma Speech and Hearing Month. Sertoma International has adopted the Wise Ears campaign for clubs to educate their communities on the dangers of noise-induced hearing loss. Use earplugs when exposed to loud noises or machinery.

The CCH Campaign needs your attention. Return all cards to Captains. We thank all the membership for their loyal support to this organization. Over \$3 million has been raised over a period of more than 35 years by the Columbia Sertoma Club.

Club News:

- Sponsorship requests will be considered at the June 21st Board meeting.
- Sterling Anderson, Todd Lewis, Tommy Bryson and District Governor Chris Weston will represent the Club at the Sertoma International Convention in Kansas City in July.
- President-elect Anderson will be at training camp for our National Guard during June.

We meet again June 7th at 12:30 at Seawell's after the Memorial Day holiday.

- *I forgot* who gave the Invocation & Pledge of Allegiance.
- *Bobby Walker* is resting comfortably after surgery & we were asking, “who has seen *Harry Winders?*” We’re checking on him.
- *Sponsorship Requests* will be considered at the June 21st Board Meeting. Please present your requests in writing before June 7, to Sponsorship Chairman Joe Hodson
1665 Kathwood Dr.
Columbia, 29206-4510.

- *The Ladies’ Lineup*, paying close attention to our Guest Speaker: Director of USC Speech & Hearing Department.

The 2004 Carolina Children’s Home Fundraiser is finished, except for the Wrap-Up. At our current \$56,568 level, we reached a mere 60% of our goal, which also amounts to \$20,000 less than last year.

Those that faithfully worked your cards share with me in a feeling of personal satisfaction and a bit of sadness. Though this is a bitter pill, there were some highlights.

Matt Hudson and Todd Lewis are to be thanked for this initiative. The members area will help us stay in closer touch.

I saw members step up and help struggling ones with their cards. I saw a member replace a lost card with a new card the same week, just because that’s what you are supposed to do. We were reminded of the life-changing mission of CCH and we know we are still making a difference.

I have received some good recommendations for improving our results next year, and a report will be made to the Board.
