President's Message

Greetings Fellow Sertomans:

You missed a lot if you did not attend this week's meeting. We had 58 attendees who enjoyed good food and great weather. Sterling Anderson is making us proud in Washington, D.C, after successfully completing his "pre-mobilization" in Texas. You can reach Sterling at

The Ernie Lawhorne Carolina Children's Home Fundraiser:

Joby, this year's chairman, pondered changes to this year's drive, such as the CCH Lottery and said the new members from our dinner will sure help us reach our goal of \$100,000 for this year.

Guest Speaker ~ Phil Kornblut

treated our die-hard sports fans with an in-depth review of recruiting for the major, and not-so-major colleges and universities in South Carolina. Phil stated that Clemson, with 25 signees, looked good top to bottom. USC lost three highly-regarded quarterbacks but recruited four new running backs and will have the most impressive group of receivers in years. (not just receivers of stolen goods-ed's words) Phil even knows a recruit with "a size 18 shoe, who could be big", which garnered a few snickers.

OK, I snickered. Even a guy like me, who cares as much about shoe sizes as sports, has to be impressed with anyone who has achieved Phil's level of knowledge about his topic, even if it is "just" sports. Unashamed....
