President's Message

I am really looking forward to serving you as president this year. The opportunities are too numerous to mention here for us to have an impact on our club and the community. As we face this new Sertoma year however we need to continue to seek new fundraisers to replace Farewell Farms and to expand our ability to fund sponsorships. The Club leadership solicits your input on the directions we go this year, but keep in mind this thought, which I saw on a sign many years ago, "Constructive criticism welcome; Gripping not tolerated."

Congratulations to Sterling and Reggie for presiding over a year that saw a net increase in membership. REBOC (REBuild Our Club) should be a theme this year as well. Reggie deserves our thanks as well for stepping back in to lead us in Sterling's absence. Thank you to Joby too for a great year as CCH Chairman.

Finally, as you face the summer heat, keep in mind these two thoughts:
-There is more to life than increasing its speed. *Mahatma Ghandi*
-I never expected to see the day when girls would get sunburned in the places they do today. *Will Rogers*
