### President's Message

Great job! We had seven guests at our Monday meeting. No doubt our return speaker, Phil Kornbluth had a great deal to do with it, but those who invited guests are to be commended for one of the largest groups we have had in a while. Remember each guest is a prospect, so please invite them back and put an application in their hands.

For as much ribbing as Gregg Dodson, our Sergeant at Arms has gotten the past few weeks about the misplaced American flag, he does a great job, so be sure to

thank him. Most members like him though, because he goes easy on the fines. I say, "Start piling 'em on!" (*Don't try it Dodson .ed*) Greg, you do realize I have immunity? Better yet, why don't you sell immunities? It seems to work well at Sertoma conventions.

We will have a sponsorship Board Meeting on the 20<sup>th</sup>. Please submit sponsorship requests as soon as possible. See you next week (our speaker is Mike

Campbell) and have a great one!

Dan

## Business Meeting

- **Mark Julian** gave the Invocation & Pledge of Allegiance.
- Please keep **Edgar Morris** and family in your thoughts and prayers, upon the passing of his Grandmother, Ann Morris.
- **Carolina Children's Home Fundraiser** is in 3 weeks. Enter the Home from Sunnyside and look for the big new building with glass doors on the right. Come have lunch with us at this fine new cafeteria, but wipe your feet.
- **Regional Convention in Greenville.** These meetings are enjoyable and good experience for new members interested in assuming leadership rolls in our Club. If interested, please let Dan know by the first of March.
- **Camp Sertoma:** Our Club sends either disadvantaged or hearing impaired children to this life-changing camp every year. If you would like to recommend someone for this year, now is the time, before the slots get filled.
- **Barbecue for Multiple Sclerosis Research– March 6-7:** Again this year we are helping Bill Reamer and the Optimist Club prepare and sell barbecue pork and chicken in the parking lot of Sam's Club, next to Wal-Mart. Chris Weston has tickets which we need to buy, AND sell. Come and help serve, have a great lunch, hang out with your friends and fight this insidious disease. Molly and I thank you.
- **Guest Speaker–Phil Kornbluth** dazzled us once again with his mastery of the ins and outs of recruiting. He said smart recruiting by Clemson and coach retention is paying dividends. The Tigers already have 4 commitments for 2007. One of this year's recruits is the fastest man to ever set foot on the Clemson campus. USC is still trying to play catch-up after only a decent class last year. This year they picked up 8 offensive and 2 defensive linemen, another quarterback and a wide receiver.

**Sergeant @ Arms Report  
Thirty-Six Members and Seven  
guests attended the meeting.**

**The \$70  
Rollover Pot was WON!  
By Kenny Potter!**

This may not be a highly rated signing, but they got what they needed. You can't really tell how good a recruiting year was until about three years down the road.
