President's Message

Our condolences to the Marion Roddey family in his passing last Saturday. I was not aware of this in time to announce it at Monday's meeting. I understand the funeral on Tuesday was well attended by Sertomans. Condolences as well to Chris Weston and family in the loss of his brother Stuart, this past weekend.

Thank you to Chief Austin for his presentation on Monday. Was I the only one to notice that his hoarse voice disappeared as he got excited about his speech? I can only imagine his level when he is preaching something he is passionate about. I can't help but think that he is the right man for his non-political position as City Administrator, where he can take the no nonsense approach to running the city. Keep that in mind, any of you contractors out there wanting to do business with the city.

The CCH BBQ Cook off needs your help cooking chickens this weekend. Contact Ben Simons at 603-1571 or bsimons@cbunited.com to show your support and help.
