## From The President

We will not meet next Monday. It is a "Tax Holiday" for your president and any other accountants. We will meet again on the following Monday, April 21. Marlin McPhail, New York Mets baseball scout was our speaker. He scouts the North Carolina, South Carolina and Georgia region. He told us how much of a difference it was to go from college to professional ball. The wood bats and the speed of the game make a big difference. Carolina's players were ranked as to their potential in the upcoming draft. He even talked about the competition enhancing drugs both then and now. Our next speaker will be Neal Dolan, Secret Service Agent.

We inducted two new members. John Adams was sponsored by Chris Weston and Ralph Williams was sponsored by Joe Hodson. We had to induct them before the election of officers because one has now been elected to the board.

To date we have raised 40,877.28 for the Carolina Children's Home. John blames our low production on inconsistent meetings. Whatever the reason, John is going to have our

captains calling us to work our cards.

Joe Hodson did his customary thing. He gave a \$500

### **Columbia Sertoma Members,**

*I thank all of you who have volunteered to assist the CCH BBQ on May 15-17. For those of you who have not volunteered your time, I urge you to consider this project-especially on Saturday morning and afternoon where I need assistance. Last Spring, I came to the club and asked for your support and received the full support of the Board and the club that you wanted this project to be specifically a Columbia Sertoma Club project—not any outside assistance from any other Sertoma club. Everyone has been given ample opportunity to sign up to work and this will be extended until Sunday, April 13. As of Monday, April 14, I will open this up to anyone else, Sertomans, or non-Sertomans to complete the sign in sheet to assure all my volunteers are accounted for and the responsibilities that go with them. I would love the support from all Columbia Sertoma club members and you have until Friday to e mail me back the times you prefer to work. If you will please review the attached sheets, you will see the available slots that need to be completed.*

*My best to each of you for a profitable week and I look forward to hearing from*

*those that want to assist with this project.. (see attachment for full sign-up.)*
