Don't Keep Sertoma a Secret

Dear fellow Sertomans,

In the last few weeks we talked about the secret of life being that you get out of life what you put into life. To expand on this theme, I would like to challenge you to not keep our Columbia Sertoma Club a secret. We have plenty to offer individuals who would like to be involved in our community. Can you commit to bringing a guest to at least one Sertoma event a month?

Speakers & Events

July

Summer Schedule Meet Bi-Weekly

21	Board Meeting
28	Regular Meeting

Thanks to Heather Fairchild and Jessica Turner for putting together a fun filled happy hour recently at the Loose Cockaboose. Several prospective members were in attendance; these events can be a great recruiting tool. We will be putting together a monthly social outing for our club members that will be rotated amongst various locations in Columbia. Quarterly we will have a family friendly activity. If you have ideas or suggestions for social activities, please communicate with Heather.

Our chairman of the Board, Dee Moise and treasurer Betsy Delallo will be representing the club in

Denver, not at the Democratic Convention, but at the Sertoma International Convention. We look forward to them bringing back great ideas on how to grow our club membership and improve our mission of service to mankind.

Don't keep Sertoma a secret!

Meeting Highlights

Karen McGrady, *Atlantic Coast Region Secretary/Treasurer & Wade Hampton District Secretary/Treasurer*, now also has the distinction of being the first woman to preside over a Columbia Sertoma Club meeting. She did an excellent job, of course.

Karen reminded us that Tailgate for Charity is only 4 months away, and it's only 6 weeks until Football Parking starts backup. We're getting ready.

Sertoma National Convention in Denver: Chris Weston, Dee Moise, Betsy Delallo, Dan Felker and Karen will be attending. Watch out for our local interests, please.

Guest Speaker: Ryan Succop, USC Kicker and Player of the Year. Ryan was very engaging, and entertained us with soccer and football stories. He gave us some good inside information and answered questions. What a nice guy, very well spoken. He was relaxed and focused, good qualities, I guess, for a kicker.

Columbia Sertoma Club Mission Statement

The purpose of the Columbia Sertoma Club is to bring together members who care for each other and the community. We take pride in and enjoy providing service to others.

Our club forms a circle that faces outward for real service to mankind by supporting The Carolina Children's Home and other local causes: and inward for friendship, acquaintanceship, fellowship and the opportunity for growth through personal involvement.
