President's Message

Our 2009 Carolina Children's Home Campaign

raised \$58,579.38, a great number especially in these economic times but not quite the number I had envisioned.

I want to say, "thank you" to all of the team captains for the great job they did;

Thanks to Joby Castine for collecting the highest amount, thanks Ralph Williams for generating by far the most new cards with 16, and to all the members of the club who continue to make this campaign a success year after year.

Columbia Cares is a project that was started by Joe Azar and will take place on August 29th in Five Points.

Eighteen charities will be there along with a corporate sponsor to let the community know what services and programs are out there and available.

Be ready for a full room on the August 24th as each charity is sending a representative to have lunch with us that day.

The club did not officially adopt this as a service project but several decided to help and if you are interested in working at the booth that day and serving soft drinks please let me know.

Please also remember to get the word about the:

Tailgate for Charity coming up on September 12th. We

21 Regular Meeting

We will meet August 24th at Seawell's but will be off the next two weeks due to Labor Day, returning the September 21st.

I apologize for the meeting running over the allotted time yesterday but appreciate all of the questions, comments and remarks made during the business session.

More about these subjects will be forthcoming in the near future.

Our Sgt.-at-Arms imposed some significant fines yesterday and due to the fact that the meeting ran over, we adjourned the meeting and the pot will roll.

Have a great week!
